Parents Club

This is the last newsletter for the 2015 school

year. I would like to take the opportunity to thank the efforts of the Parents Club. They have worked very hard this year to raise much needed funds to support the camps and excursion all of our students attend. Also they have managed to organise a very impressive first prize for this year's Christmas raffle. Many tickets have already been sold, with people wanting to win the bright green quadbike that is now on display in the reception area.

Wishing everyone happy holidays and thank you for being part of our school community.

PREP ORIENTATION

We have had an amazing group of new preps and their parents visit our school for transition from pre school to school. Our open afternoons on Friday along with the Wednesday orientation days are well and truly preparing our new students for how we do things at Mildura Primary School. Our new "little people" have settled very well and are looking forward to the next part of their school journey. We have been very excited to meet them and get to know their parents ready for next year!

Trash to Art Exhibition

During Term 4, students in the *Stronger Smarter Art Group* have been working on entries for the "Trash To Art" Exhibition organized by the Christie Centre. Students visited Round Again to purchase items that they might use as well as bringing recyclable items from home. Students then spent the next 8 weeks working on their own designs during class time and during their recess breaks.

These exhibits will be on display at 31 Deakin Avenue (the old ADFA building) from Friday 4th December to Sunday 13th December from 10.00 am to 2pm. Feel free to pop in and see what the students have been working on. I'm very proud of their efforts and what they have created. Well done!
