### Student Leadership Camp

It was with great pleasure that I was able to attend the Student Leadership Camp with our Student Leaders last week at Lake Cullulleraine. Miss Newbold and Mr Tonkin worked with the students to talk about leadership skills, what it is to be a leader and developing some projects to make Mildura Primary a better place. I also was able to spend time supporting the process and helping think about the projects and making them a success. The next step is for the students to complete the planning and make the projects come to life. An exciting time.

### 2020 Enrolments

Thank you to the families who were able to come along for a school tour last week. It was great to have the time to show off our school and to answer any questions. These families were able to take home an enrolment package in preparation for starting school next year. To help with a smooth transition to Preps in 2020 can current families please enrol siblings as soon as possible.

## Cross Country

The Mildura PS community would like to pass on a huge Well Done to Ashley Walker for competing in the Regional Cross Country event in St Arnaud on Tuesday 4th June. The event was held in freezing cold conditions at Lord Nelson Park. Ashley finished in 24th position out of 58 runners in the 11 year old girls race. Looking at the results, there were only 2 girls from Sunraysia who were in front of her. We are very proud of your efforts Ashley. Top Job!

## School Attendance Report

Every Monday morning we turn on the school's attendance meter to find out what percentage of the school has been present. Last week was our lowest result so far, 5% below our target of 90%. Maybe the cold and the shorter days is influencing student attendance?

As we approach the winter solstice the shortest day of the year, on the 21<sup>st</sup> of June next week, perhaps we can look forward to longer days and improved attendance at school. Let's keep our fingers crossed for this.
