

Kindness—Integrity—Determination—Safety

From The Principal

A big welcome back to everyone,

Over the last few days, it has been interesting to hear about our students' adventures over the holidays and seeing them reconnect face to face with friends.

A few reminders to start the term:

Uniforms

Please make sure uniforms are clearly labelled. The temperature has been cool in the morning and warming up as the day goes along. This has meant students are wearing jumpers to school and taking them off. We are seeing a few jumpers laying around that could easily be returned they had names on them.

Crossing Safety

A reminder that students should be using the crossings to cross the road when coming to school and also leaving the school grounds. The crossings are there so that traffic can be controlled to allow for safe crossing.

Social Media

As our children grow up in an increasingly digital world, it's important that we help them develop safe and healthy habits when it comes to using social media. While many platforms are designed for older users, we know that some children may still be accessing them.

Here are a few simple tips to support your child's safety online:

Know what they're using – Take time to talk with your child about the apps or websites they use. Ask them to show you how they work and who they interact with.

Privacy matters – Help your child set strong privacy settings and remind them not to share personal information like their full name, school, or location.

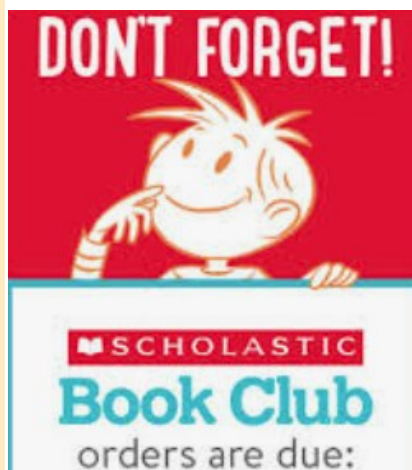

Kindness counts – Encourage respectful and kind behaviour online, just as we do at school. Remind them to speak up if they see or experience anything hurtful or unsafe.

We all play a role in helping our children become safe and responsible digital citizens.

Mother's Day Stall

We are excited to announce that our annual **MOTHER'S DAY STALL** will be held on **May 8th**. This is a great opportunity for students to purchase a special gift to celebrate the important women in their lives. Gifts will be **\$5 each**, and we recommend purchasing **one per student**, though students may buy two if they have a special mother, grandmother, or caregiver. A **prepaid order form** will be sent home at the beginning of **Term 2**, so please keep an eye out for it in your child's bag.

Friday 9th May

2025 Term 2 Calendar

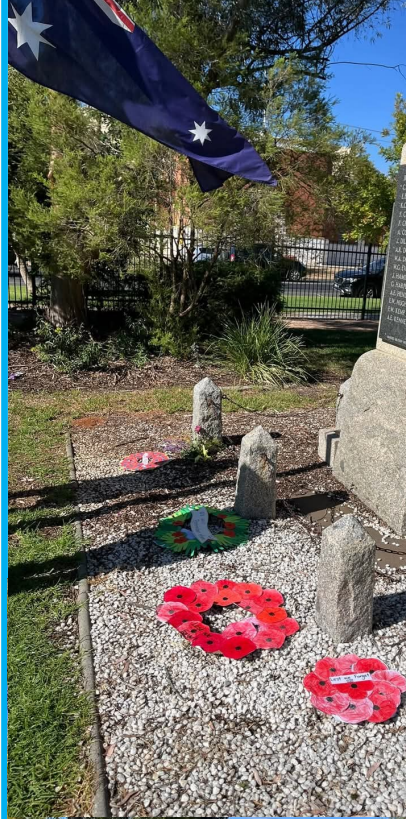

May

Sun-	Monday	Tuesday	Wednesday	Thursday	Friday	Sat
