

Kindness—Integrity—Determination—Safety

From The Principal

Hello Everyone,

Family Picnic on Friday

The first term for 2025 is nearly at an end. I am looking forward to our whole school picnic on Friday with our school community. We are encouraging those who can to come to school at 11.30 to enjoy a picnic with their children on the oval. This will then be followed by open classrooms so that families can see what has been happening in our learning spaces. We will have a whole school assembly at 1pm with some awards to finish the term. We are planning for the assembly to finish around 1.30. Students will return to their classrooms and the day will officially finish at 2.15.

Staffing and classroom updates

Miss Clarke and Mrs Allen are going to continue next term as the joint teachers of Prep K. Grade 3s and 4s have restructured classes to have four 3/4 classes instead of five to help cover teaching and learning.

Congratulations and farewells

With some excitement I congratulate Mrs Crisp for picking up the Acting Assistant Principal role at our school for the rest of this year.

We are saying goodbye to Miss Briggs and she picks up an important job working at the council developing programs to engage the youth of Mildura. Thank you Sommar for support our students and being our Assistant Principal for the last 7 years.

Also we say thank you and good bye to Brooke Hepworth. She is picking up a position at the Regional Office as the Regional Disability Coordinator. Thank you too to Brooke for all your support in working with many families and students for the last 13 years.

Mother's Day Stall

We are excited to announce that our annual **MOTHER'S DAY STALL** will be held on **May 8th**. This is a great opportunity for students to purchase a special gift to celebrate the important women in their lives. Gifts will be **\$5 each**, and we recommend purchasing **one per student**, though students may buy two if they have a special mother, grandmother, or caregiver. A **prepaid order form** will be sent home at the beginning of **Term 2**, so please keep an eye out for it in your child's bag.

Hello everyone,

If you have any spare cardboard rolls (no toilet rolls please), cereal boxes or shoe boxes the STEM room would be glad to have them for students to use in class.

Thanks!
