## Kindness—Integrity—Determination—Safety

### From The Principal

#### Crazy Hair Day

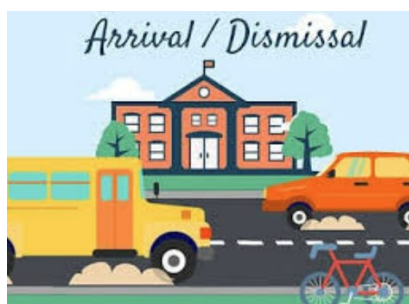

Last week was wonderful to see so many crazy hair-do's around the school along with the excitement of the students. Congratulations to the SRC for a great job organizing and fundraising for a new refrigerated water fountain.

#### School Council

Our AGM will be held on the 18th of March. I would like to thank all past and present members for their time and commitment.

#### School Supervision

A reminder that student supervision begins at 8:30am each school morning. Staff are not formally required to supervise before this time, so please try to avoid drop offs any earlier. After school outdoor supervision is until 3:30pm, after this time students will need to wait in the office. Please contact the school if you are running late to assist in reassuring students

#### Student Attendance

If your child is going to be away from school please make contact and let us know. This could be a phone call, email or sending a note to school with the child when they return. Their absence reason will be updated on our rolls and help us understand why students are away. This is important for our enrolment data and tracking for school census.

#### Labour Day Public Holiday

Monday 10th of March there will be no school due to the Labour Day public holiday. Please make alternative arrangements for your students and enjoy the long weekend.

#### Early collection of students

There has been an increase of students being collected between 2.15pm and 3.15pm each day. We want to minimise the disruption to classrooms by reducing the number of times we call, or make a PA announcement, to request student/s to come to the office to go home. To alleviate this disruption, we ask that you either avoid collecting your child during this time or contact the office in the morning to make an arrangement for an earlier pickup (for example – doctor appointment). Staff will assist to have your child ready and waiting at the office if a nominated time has been arranged prior to pickup. Thank you for your consideration.

#### School Uniform

Since the School Savings Bonus has been made available, uniforms it has been difficult to keep up with the high demand. The office have limited sizes in our rang available. Another order has been placed which will be expected to arrive in a few weeks time. We appreciate your patience.

#### School Crossings

A reminder to please be using the school crossings before and after school. These are busy times on the road, and by using the crossings it is the safest option for children & carers.

# GRADE ONE

Students are enjoying hands on Maths activities. We are learning to count collections and identify numbers.

The SRC held a Crazy Hair and Casual Dress Day on Friday, 28th February 2025, bringing lots of fun and excitement to the school.

Students and staff showed off their wildest hairstyles and creative outfits, making the day full of colour and laughter. The event featured a fashion parade on the basketball court at 11:00 am, followed by a mini dance party.

Later in the day, \$1 Zooper Doopers were sold from the gym, helping to raise funds for a new refrigerated drink fountain. Thanks to everyone's participation, the SRC successfully raised \$239.60—an amazing effort that will help keep students cool on hot days!
