

Responsible Use of Technology

Mildura Primary School uses the Internet and mobile technology as teaching and learning tools. We see the Internet and mobile technology as valuable resources but acknowledge they must be used responsibly.

Your child has been asked to agree to use the Internet and Mobile technology responsibly at school. Parents should be aware that the nature of the Internet means that full protection from inappropriate content can never be guaranteed.

At **Mildura Primary School** we:

- have a cyber safe and responsible use program across the school. We reinforce the school code of conduct values and behaviours when using technology and the internet.
- provide a filtered Internet service
- provide access to/only to the CONNECT web space (www.education.vic.gov.au/primary) a search engine that can be used to restrict students to only using websites that have been teacher recommended and reviewed
- provide supervision and direction in Internet activities and when using mobile technologies for learning
- have an Information Literacy program
- utilise mobile technologies for educational purpose. e.g. Podcasts, photos from excursions
- work towards setting tasks that ask your child open questions, so they can't copy and paste all answers from the Internet
- provide support to parents to understand this agreement (e.g. language support)
- provide support to parents through information evenings and as a document attached to this agreement

- use it as requested for learning purposes as directed by my teacher
- be responsible in my use and not use the device to find, create or send information that might be harmful, inappropriate or hurtful to me or anyone else.
- hand in my mobile into the office for safe keeping when not in use for educational purposes

When using my iPad as a camera I will:

- only take photos and record sound or video when it is part of a class or lesson
- seek permission from individuals involved PRIOR to taking photos, recording sound or videoing them (including teachers)
- seek written permission from individuals involved PRIOR to publishing or sending photos, recorded sound or video to anyone else or to any online space
- be respectful in how I talk to and work with others online and never write or participate in online bullying
- seek teacher permission before uploading any content to websites, blog etc
